Re: *United States v. Aiyer*, 18-cr-333 (JGK)

Dear Judge Koeltl:

The government respectfully requests the Court's permission to file publicly a redacted version of Memorandum of Law of the United States of America in Opposition to Defendant's Motion for Bail Pending Appeal ("Opposition") and an unredacted version of the Opposition under seal.

The government's Opposition addresses the issue of potential juror misconduct. Consistent with the Court's prior handling of this issue, and to ensure juror privacy, we propose to redact all portions of our response dealing with this issue. We discussed the government's proposed redactions to the Opposition with Defendant's counsel, and they do not object this request.

Accordingly, we request that the Court enter an order permitting an unredacted version of Memorandum of Law of the United States of America in Opposition to Defendant's Motion for Bail Pending Appeal to be filed under seal.

Respectfully submitted,

/S/ Kevin Hart
